

COACH PICK-UP DIRECTIONS

WELCOME TO LANZAROTE!

To ensure a smooth transition from your flight to the coach transfer, please follow the steps below to reach the designated coach pick-up area from the arrivals hall.

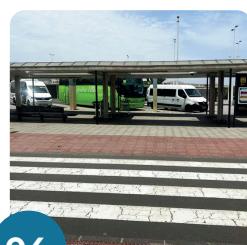

Each step is accompanied by a photo to help guide your way.

01

Exit the arrivals hall

After collecting your luggage and passing through customs, head right towards the main exit doors of the arrivals hall.

04

Cross over at the pedestrian crossing

Continue until you reach a clearly marked pedestrian crossing. Cross carefully to the next pavement.

02

Follow the red walkway

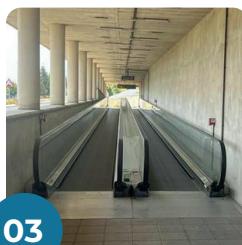

As you exit the building, you'll see a red walkway ahead. Follow this path, keeping to the left-hand side towards the bus parking.

05

Arrive at the coach park

Once across the road, follow the signs to the coach park.

03

Continue up the covered moving walkway

The red walkway ends in a corridor with moving walkways (elevator if needed). Go up one floor.
